### **THE POWER OF INVITATION!**

You have a powerful gift of bringing other young people to Jesus that no older person has. It is a gift that your youth leaders, your pastor, or even your conference president can never aspire to or hope to have. It is the power of invitation! As an adult, it doesn't matter how many invitations I send

out, either through texting, Facebook, letter, email, or phone call and I still won't get young people to show up to events. On the other hand, you simply need to make a one-time simple invitation and your friend will come. Use the power of invitation today to bring your friends to Jesus!
